REPORTS.

The American ship Hellespont from Whampon bound to Shanghai was seen by the Resolute, (arrived here) o days ago off the South end of Formosa. WE regret to llave to announce the loss of

the iron clipper ship King Arthur. Ful particulars have not reached us, but we learn that she was lost in the Straits near Singapore. The Crew were all saved. The King Arthur made a very long passage out liere of 150 days, but she was very heavily laden an met with bad weather and adverse winds As a model she was one of the most perfect specimens, we ever saw, and, while lying in the Rever here, light, was noticed as a beauty | Australia, &c., on the Correspondents of the inby all connoiseurs in naval architecture. She carried a Tea Freight of about 1,000. 000 lbs, which we believe was well Insured the bulk of course at home, a small portion ad having been effected in Shanghai. The value of the Cargo may be estimated nt nearly \$250,000 .- Shanghai Recordér
